Reason for Allowance

The following is an examiner's statement of reasons for allowance:

In claims 1, 11, 20, 28, 34 and 39, the prior art does not disclose at at least one Intermediate protocol layer below the upper protocol layer, selecting at least one route for transmitting data to the least one destination mobile node based upon the QOS threshold, and determining whether a QOS metric for the selected route falls below the QOS threshold; and at a lower protocol layer below the least one intermediate protocol layer, cooperating with said wireless communications device to determine the QOS metric for the least one selected route, transmit the given data to the at least one destination mobile node via the at least one selected route.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
